

## **Fayette County Sheriff's Office**

**Barry H. Babb, Sheriff**

**July 29, 2014**

### **Press Information**

For the third consecutive year, Shop with a Sheriff is proud to continue its back-to-school backpack program for needy children. Thanks to the generosity of the local community, Shop with a Sheriff was able to purchase 50 high-quality backpacks filled with supplies for the upcoming school year. This year, the packs will be donated to Inman Elementary School. The school counselor will then distribute the packs to those students most in need. Shop with a Sheriff is a registered non-profit in its eighth year of operation in Fayette County. In addition to the back-to-school program, Shop with a Sheriff has an established annual tradition of taking a special group of children shopping for a Christmas they might not otherwise have. Donations to the program can be made at [www.shopwithasheriff.com](http://www.shopwithasheriff.com).
