On June 6, 2013, Fayette County Sheriff's Deputies arrested 27 year old Octavius Franklin of Atlanta, 24 year old Damon Hamilton of Atlanta, and 22 year old Demarcus Rivers of Atlanta. All three men were riding in a car stopped by deputies near the Fulton County border with Fayette County. Deputies located a small amount of marijuana, military clothing, gloves, pistols, zip ties, and a stun gun (photos attached). All three men were charged with being a felon in possession of a firearm. Octavius Franklin was also charged with possession of marijuana. "Proactive police work probably interrupted their next move", said Sheriff Babb. "We're currently sharing information with surrounding agencies to see if these suspects are being sought in any unsolved robberies", Babb added.

On June 13, 2013, 36 year old Dennis Junior Mitchell of Morrow, GA, was arrested by Fayette County Sheriff's Detectives on two felony counts of Aggravated Stalking. The charges stem from Mitchell violating a Clayton County Superior Court Family Violence Protection Order by harassing his ex-wife through repeated phone calls, voice mails, and text messages. Mitchell was arrested in January, 2013 for Aggravated Stalking after violating the same order.
