On April 28, 2014 the Chevron at Highway 92 and Rivers Road was robbed by a masked male wielding a revolver. The male's race is unknown at this time but the brand of mask or hat he was wearing is Under Armor. The shoes worn by the suspect are Nike brand and he appeared to be of thin build, about 6 feet in height. The first photo below depicts several frames of the suspect condensed into one photo. The weapon used by the perpetrator is of particular interest. The second photo below show the gun used in the crime on the left and possible matches to the right. It is believed the gun is a revolver similar to a black powder revolver like a Remington 1858. The exact type of gun pictured is unknown. Anybody with information is asked to call Fayette County Sheriff's Office Criminal Investigations Division at 770-716-4750.
