On Friday September 26, 2014 Fayette County Sheriff's Traffic Investigators responded to Highway 92 South just north of Pond Trace to a traffic collision involving two vehicles. 25 year old Tiphonie Fletcher of Fayetteville was travelling southbound on Highway 92 near Pond Trace when a trailer being towed by a Chevy Silverado travelling northbound came unhooked and crossed over into the southbound lane striking her Ford Explorer on the front left side. Her vehicle then left the roadway and down an embankment coming to rest after striking a tree. Ms. Fletcher was transported in serious condition initially to Fayette Piedmont and then to Atlanta Medical where she later died as a result of her injuries. Drugs and alcohol are not suspected of playing a role in the collision. Traffic investigators are still trying to determine all the factors that contributed to the incident.
