On October 20, 2013 at approximately 12:49 am Fayette County Traffic Investigators responded to a vehicle accident near the cul-de-sac at Marion Boulevard. Once on scene, investigators observed a 2008 Honda Civic resting against a tree on private property. The vehicle had been traveling east on Marion Boulevard when it continued past the end of the roadway, struck a mailbox, and then struck a tree. Two of the occupants, 32 year old Julius West of Atlanta and 31 year old Martin Parris of Fayetteville, were transported to Fayette Piedmont Hospital where they were pronounced deceased. A third occupant (not the driver) was treated and released on scene. Evidence regarding the involvement of drugs or alcohol is pending at this time.
